

### Workshop type/title

Private Print making workshop (collagraph)

### Audience

Up to 15 -Adults/kids

Art and craft curious

### Time

Event time -- 2 hours 15 mins – slight overrun if needed + 20 mins set up/ 30mins pack down

Week-day evening or a Friday/weekend day time

### Structure

- **20 mins set up time prior to event start time.**

- **Welcome, explain and demo (30 mins)**

Participants are seated.

Talk through what a collagraph print is.

Show examples. Do a demo print.

Introduce plates and how to cut and layer using the roller to ensure card is stuck – inspiration and templates available

- **Make printing plates (30-50 mins)**

Participants freely make their printing plates, generally taking between 30-50mins to complete

- **Printing (rest of time– depends on how long is spent on board)**

Once the plate is ready participants can start the printing process which they are guided through stage by stage.

Inking up the plate on the 'messy table' Blotting the paper and using the press on the 'clean table'

- **Finish and thanks**

Participants are given a bag for their plates and prints and info on next events

- **30 mins pack down after event**
